BE AWARE

by
Carol King

The website "Old Orchard Beach High School Alumni", a part of AlumniClass.com is NOT affiliated with your alumni association, Old Orchard Beach Alumni Association, or our new website oobeachalumni.com.

The other site offers a lifetime membership for \$20 and maybe cutting into our class dues collection. We recently received a dues payment for this pirate site but they thought they were paying us. I have returned the check.

The AlumniClass site sells various items with the Seagull logo as they do for many, many high schools around the country, also cutting into whatever they may be selling.

I have searched this site 3 times since April '08 and have found 40+ names of our grads that have joined their membership. They even include Chris Cash as their military alumni and have a Wall of Distinguished Alumni.

Of course, individuals have the right to join any organization they want to - just be aware this organization has no connection to OOB whatsoever.

We are looking for members willing to serve as Association Officers. A person must be willing to attend at least 6 of the 12 meetings a year as stated in our

By-laws. We are considering co-officers like we presently have co-historians. We would love to have some members step forward for the vice-president, corresponding secretary and/or treasurer positions. We are also looking for someone willing to manage the annual Chuck Hunter Alumni Golf Scramble during Reunion Weekend each year ! Interested ? Contact me at : sandyseagull@gmail.com or 207-284-6726 by Aug.

22, 2012 !

A Message Of Thanks

A huge, huge thank you to those of you who donated extra money from the request in the last newsletter to get our Association back in the black. It is hoped that members will continue to pay their dues and donate whenever possible, so we may continue to be profitable. Heartfelt thank you once again for your continued support !
