

# Sandy's Corner

by: **Sandy Lord**

After 51 years of service to the Old Orchard Beach School System, I have decided it was time for a change. Having retired from teaching in 1999, I was given a contract to serve as Manager of Student Activities. Besides managing 88 accounts in the high school checking account, the position soon became larger with working with students and class advisors in fundraising activities and booking events plus maintaining the yearly events and fundraising calendar; taking care of and ordering and dispersing general school supplies to staff; being the banker at large events where money was handled; and serving as Scholarship Manager and Chairperson of the Town Of OOB Schools Scholarship Trust Trustees. This past year, I also served as treasurer of the OOB Boosters as well as keeping The Association books. I will still volunteer to be Scholarship Manager and Alumni Treasurer. Please continue to support The Association by paying your dues, making donations, and if you live in the area attend the 3 fundraisers. Just a heads up to those members who pay their dues on Election Day, I will not be there this year, Hope to see YOU.....at Reunion 2016!

## Alumni needs your HELP in finding missing Classmates

One of the most difficult tasks we incur is the moving of former alumni without getting forwarding addresses. This year, as we celebrate years ending in 1 and 6, we are missing 3 addresses of alumni from 1936, 5 from 1941, 4 from 1951, 5 from 1956, 10 from 1961, 1 from 1966, 17 from 1971, 10 from 1976, 24 from 1981, and 37 from 1986. Due to limited press space in this newsletter we can't list all of the missing classmates. We are asking for help.

The complete list is at [oobeachalumni.com](http://oobeachalumni.com) or call Mark Andrews @ 207-423-2975 and he will email, mail, or fax you a copy of the missing alumni. Together, with social media, speaking with relatives, and word of mouth...we hope to get the word out to find these missing alumni. Thanks for your anticipated assistance !
